Headline:
Mainly dry and bright.

Today:
A mostly dry and bright day with some sunshine at times, the best of the sunshine on the west coast. One or two scattered showers are possible with Lanarkshire probably cloudy with patchy rain. Freshening northwesterly winds. Maximum temperature 15 deg C (59 deg F).

Tonight:
Dry with any thicker cloud through Lanarkshire clearing away, the cloud well broken at times with good clear spells. Winds easing and chilly by dawn with a few mist patches. Minimum temperature 3 deg C (37 deg F).

Wednesday:
It will be mainly dry and bright with some sunny spells. Cloud will thicken from the west with outbreaks of rain developing in the evening. Maximum temperature 14 deg C (57 deg F).

Outlook for Thursday to Saturday:
Cloudy with outbreaks of rain, occasionally heavy and persistent at first, but turning light and patchy by Saturday. Breezy and very mild.
